Dear Kim,

After reviewing your first semester grades, I have found your final transcript to be in order, and you have fulfilled all the requirements for Carrollton High School graduation. Tentative dates for Baccalaureate (May 27) and Graduation (May 29) have been set. I need to know if you plan to attend these programs before March 1, 1981. I encourage you to attend these activities, and hope to hear from you soon.

Congratulations,

Kenneth C. Hendriksen
